

Bylaws amendment 2

4. Elected UFC Members. The University Faculty Council Office shall determine for each IU administered campus the number of elected representatives to which it is entitled from the lists submitted by campus officers, as required in Section 1.3 of the Constitution of the Indiana University Faculty. The Faculty Council Office shall forward this determination to the faculty head of each such campus legislative body by ~~October 15~~ **December 31**. ~~The University Faculty Council Office shall also determine for IPFW the number of elected representatives to which it is entitled from lists submitted by IPFW campus officers. This date may be later than October 15 if IPFW (Purdue) continues to conduct its faculty census later than that date.~~ The faculty head on each campus shall certify to the ~~Co-Chairs of the~~ University Faculty Council **Office** no later than ~~April 15th~~ **August 1st** the names of the elected and ex-officio faculty members who will represent the campus on the University Faculty Council for the ensuing year. It shall be the responsibility of the faculty head of each campus legislative body to select campus representatives sufficiently early in the year that the ~~April 15th~~ deadline can be met.

Reasons:

- a) the changes in dates make the deadlines more practical
- b) there is no longer an IPFW campus
