

Bylaws amendment 7

11. Duties and functions of the UFC Executive Committee:

* * *

H. At the request of the President or by action of the Executive Committee on its own motion, the Council may meet in Executive Session. Only voting members of the Council, the Director of the Faculty Council Office, and special invitees may be present.

Reason: Clarifies who may be present, which was ambiguous as to nonvoting members and the Director of the UFC Office.
