=====Current:

1. Committees

A. Honorary Degrees Committee:

The Honorary Degrees Committee and the standards and procedures for awarding honorary degrees are governed by the Indiana University Honorary Degree Policy adopted by the University Faculty Council on November 10, 1992 (with duly adopted amendments, if any).

B. Other Committees:

The Executive Committee may create and appoint ad hoc committees and task forces and may make recommendations of faculty members to serve on administrative appointed committees.

=====Proposed:

Add: B. UFC-Budgetary Advisory Committee. This shall be a standing committee for the purpose of consulting with University administration about financial issues, including but are not limited to university tax (or other system-wide fees and charges), the university-wide budget, allocation of resources to campuses, and university strategic planning. Ex officio member shall be the IU Vice President and Chief Financial Officer. The UFC Co-Secretaries shall nominate faculty members of this committee to number 6: 2 members from IU-Bloomington, 2 members from IUPUI of which one shall be from the School of Medicine, and 2 members from regional campuses. Members may be elected members of the UFC, the Regional Faculty Council, or individual campus faculty councils, with experience in school or campus budgetary affairs governance. Members are tasked with communicating with the UFC Co-Chairs, Indianapolis Faculty Council, Bloomington Faculty Council and Regional Faculty Council Executive Committees, and presenting reports at full UFC meetings.

C. Other Committees:

The Executive Committee may create and appoint ad hoc committees and task forces and may make recommendations of faculty members to serve on administrative appointed committees.
