Amendments to Interim UA-03
Discrimination, Harassment and Sexual Misconduct
The Executive Committee on behalf of the University Faculty Council approved urgent amendments to UA-03
Discrimination, Harassment and Sexual Misconduct due to federal regulations that required universities have
conforming policies in place by August 15th. It is an interim policy for the 2020-21 year with the anticipation that it
could need to be updated based on a change in administration or our practical experience applying it. These
amendments also recognized that victims of discrimination and harassment are not limited to those who are
subject to sexual misconduct, and therefore were unified into one policy. It is expected that discrimination and
harassment will continue to be part of the revised UA-03 when proposed this academic year.

Inconsistent definitions from different policies addressing the distinction between personal misconduct and serious personal misconduct be removed and replaced with cross-references to ACA-52. These policies included ACA-18, Regulation of Clinical and Lecturer Appointments; ACA-19, Regulation of Professor of Practice Appointments; and ACA-20, Regulation of Research Appointments.
